

Bicester London Road

Active Travel scheme

Have your say on the proposals

Oxfordshire County Council is consulting on proposals to design and deliver an active travel scheme along London Road in Bicester. The scheme aims to encourage active travel as the first choice for short journeys.

This is especially important in the context of Bicester, which is expanding rapidly with an anticipated population increase from 30,000 to 55,000 by 2034.

We are proposing:

- A new two-way cycleway along London Road and the A41, between the Ploughley Road and Launton Road junctions.
- New sections of pavement will create more direct and convenient walking routes.
- New zebra crossings for both cyclists and pedestrians.
- Extend the 30mph speed limit along London Road to include the section south of Talisman Road up to Rodney House roundabout (currently 40mph).

We are seeking your views on our proposals before we finalise our construction plans.

Our community engagement will run from **12 noon Tuesday 18 February to 11:59pm Tuesday 18 March 2025**, during which you can view the plans, read more information on the project and complete a survey.

You can view the exhibition by visiting

<https://letstalk.oxfordshire.gov.uk/london-road-active-travel>

(Please note the link to the webpage will not be available until 12 noon on 18 February)

COUNTY COUNCIL

We will also be holding a drop-in exhibition event if you would like to see the proposals in person and have questions for the project team:

- **Tuesday 25 February 2-8pm**
John Paul II Centre, The Causeway,
Bicester OX26 6AW

If you, or anyone you know is unable to view the plans online or visit our drop-in events, printed copies of the proposals and survey will also be available from the following location:

- Bicester Library, Wesley Lane, Franklins House, Bicester OX26 6JU
- Bicester Town Council, The Garth, Launton Road, OX26 6PS
